1. Small Grant Request	Alzheimer's Coachella Valley
Program:	<i>Breathing Space</i>
Requested Amount:	\$10,000
Breathing Space is our scholarship program for family caregivers to hire a temporary licensed caregiver for their loved one with dementia so that the family caregiver can take a much-needed respite time for him/herself. Breathing Space funds have also been used to provide professional caregivers during our own classes so that the family caregiver may bring their loved one with them to our facility and not leave them at home, thereby enabling that person to attend a caregiver class.

2. Small Grant and Prevent Child Abuse Restricted Funds	Olive Crest
Program:	<i>Community Engagement Initiative - Applying for Funds from PCARC Fund</i>
Requested Amount:	\$6,675
The Community Engagement Initiative provides services to at-risk families through increasing partnerships w/ volunteers and host families – including at the Family Circle Homes in Coachella, CA. Locally, approx. 10,000 calls/referrals of potential abuse and neglect are received annually—now less than 10% (avg) receive county services! Volunteers help deflect kids from the child welfare system, break generational cycles of welfare-involvement, and strengthen families.

3. Small Grant	Angel View, Inc.
Program:	<i>Improving Children's Access to Healthcare</i>
Requested Amount:	\$10,000
Research shows the most common barrier to healthcare is the cost of medical visits and prescriptions, and inadequate health coverage. Hundreds of East Valley children with disabilities have reduced access to needed care because of a lack of insurance, lack of local primary and specialty providers who accept Medi-Cal, and the distance and expense of traveling to Loma Linda Children's Hospital. We propose to reduce barriers and improve children's access to care via our Outreach Program.
