F. GRANT FUNDING REQUESTS:

Small Grant #1	Neuro Vitality Center
Program:	<i>Neuro Vitality Foundation’s Fellowship Assistance Program</i>
Requested Amount:	\$10,000
For more than 40 years the Neuro Vitality Center (formerly Stroke Activity Center) has worked with survivors of stroke, traumatic brain injuries and neurological disorders. It is the only comprehensive adult treatment center in the CV for those challenged by neurological issues or chronic illnesses. This is a Community Based Adult Services (CBAS) state licensed program. While services are covered by insurers offering CBAS benefits, many times patients are in a gap between Social Security Medicare and medical coverage. This Fellowship Assistance Program is offered to stroke and brain injury patients who are in immediate need of care, and unable to access much needed programs. Delay in receiving treatment can be devastating. Cost is \$85/day and includes medical and nursing services, counseling, case management, speech and exercise therapy, pharmaceutical consultations, nutritious breakfast and lunch, social activities and transportation.

Small Grant #3	Coachella Valley H.S. Health Academy & HOSA
Program:	<i>Critical Conversations: Fentanyl Fatalities</i>
Requested Amount:	\$9,500
CVHS Health Academy & HOSA will produce a 3-hour town hall panel on the fentanyl crisis, its effects on schools, communities, public safety & healthcare, and what are we doing about it? Community organizations will have the opportunity to display their related services to attendees during a 1.5 hour pre-conference gallery walk. Additionally, high school students from the valley will be able to create poster boards, "in memory of" postings, and related content for display. The lessons provide a possibly exponential population that has the ability to teach others about the life-altering and deadly consequences of drug use, opioids and fentanyl experimentation.

Small Grant #4	SMK Care Group
Program:	<i>SMK Approved Care Group, Inc. Campaign</i>
Requested Amount:	\$10,000
Chronic pain is a condition lasting one or more years, requiring regular medical attention or limiting activities of daily living [1]. Electroanalgesic Medicine has been available for the last two decades but is not widely known to veterans and the general public. It is Medicare-approved, and SMK's specialized equipment is FDA-approved. SMK's treatments will be available to Veteran patients at mobile pain and neuropathy management centers. Compared to medications and surgery, electroanalgesia is still a lesser-known treatment option.	
Reviewer's Average Score:	80%
Prior RAP Funding:	N/A

Grants Committee Recommendation: To deny the request but encourage the applicant to reapply at a later date because of concerns with funding and operations which may be clearer once the program is underway.

Small Grant #5	CV Beautifying Solutions
-----------------------	---------------------------------

Program:	<i>Easter Outreach: Nourishing Lives, Sharing Hope</i>
Requested Amount:	\$10,000
The core essence of Easter Outreach goes beyond the act of distributing care packages; it encapsulates a profound commitment to compassion, community support, and human dignity. The program unfolds as a collaborative effort, with dedicated volunteers embodying the spirit of Easter as they venture into the streets, reaching out to those in vulnerable situations. Volunteers become beacons of hope, bridging gaps in accessibility to essential resources. These are not just distributors; they are advocates for change, contributing to a brighter, more compassionate future for all. This event will be a transformative experience for both volunteers and recipients, transcending the conventional notions of charity to embrace the principles of dignity, respect, and collective responsibility.

Sponsorship Grant #3	Olive Crest
Program:	<i>Wraparound Spring Event 2024</i>
Requested Amount:	\$5,000.00
<p>This annual Spring event is crafted to create a memorable experience for “wraparound” Program youth, families, and caregivers. Staff and enthusiastic volunteers are gearing up to ensure an exciting experience, complete with provided transportation as needed. The goal is to provide an uplifting family outing that illustrates to the children what a joyous, safe, and unforgettable springtime gathering can truly be. These children, often having experienced trauma, instability, and disruption in their young lives, have a critical need for experiences that promote normalcy, joy, and a sense of belonging. Traditional therapeutic interventions, while essential, may not fully address the need for positive, real-life experiences that foster a child's sense of inclusion and joy.</p>

Sponsorship Grant #4	Rotary Club of Indio
Program:	<i>Rotary Math Field Day (RMFD) for Middle School Children (RMFD)</i>
Requested Amount:	\$1,000.00
<p>RMFD is the only math competition in the CV for middle school children. This CV wide event provides students an opportunity to showcase their math ability. There is no other academic event where students from different schools and school districts compete and get rewarded for their skills and efforts. For many, this is the only competition when they meet other students outside their own school, interact and exchange ideas, and meet people from different cultures and economic backgrounds. The event’s pinnacle is the award ceremony where everyone is gathered to hear who the best mathematician and the best school in math is. This is where you see everyone cheering and supporting each other for their efforts and celebrating each other’s accomplishments. The event will be held at John Glenn Elementary and the program will be from 1:00-3:00 PM.</p>	
Prior RAP Funding:	FY22-23 Sponsorship: \$1,000

Grants Committee Recommendation: To approve request for \$1,000 of \$1,000 requested from the Education Grant, leaving \$0 in balance.

Sponsorship Grant #5	Rotary Club of Coachella East
Program:	<i>Rotary Youth Leadership Awards Program</i>
Requested Amount:	\$5,000.00

Thousands of young people participate in the Rotary Youth Leadership Awards Program annually. Students are chosen for their leadership potential to attend an all-expense paid camp to discuss and learn leadership skills through practice. This intensive leadership experience develops leadership skills while having fun and making connections. The goal is to offer the participants an incredibly unique opportunity to develop skills and obtain tools that will enable them to understand the needs of their communities further, become influential leaders, and engage in advocacy efforts to leverage critical resources that will improve the lives of the residents of the CV. Participants engage in hands-on learning experiences over the academic school year through a structured leadership curriculum, civic engagement, networking, and community involvement opportunities. The program draws on the knowledge, skills, and, most importantly, the life experiences of those in the room, augmented by the lessons in the curriculum. Students are encouraged by their peers and advisors to engage themselves to the best of their abilities. The goal is to fund the participation of 15 students.
