A MESSAGE

FROM OUR BOARD CHAIR

As the Chairperson of the Regional Access Project (RAP) Foundation, I am proud to once again represent the board and staff in presenting our Annual Report for Fiscal Year 2022-2023. Looking back at the year in review, I marvel at how much we accomplished this past year.

Undoubtedly, there is much more to do to address the unmet needs in our communities. Thankfully, we have a great RAP team of board members and staff working together to achieve our goals.

RAP also counts on the strong partnerships with the County of Riverside, the Desert Healthcare District and Foundation, and Riverside University Health System-Public Health. These partnerships continue, and we appreciate their investments to assist us in addressing Health, Mental Health, and Juvenile Intervention services.

I also want to acknowledge the many organizations we have funded this past year. We appreciate your efforts in partnership with RAP to deliver essential services to your clients and ours in need. We could not do this work without you.

There is still quantitative work to address the disparities that exist in our communities. However, I am motivated by our combined efforts towards improving the quality of life for all.

Sincerely,

A handwritten signature in dark ink, appearing to read "Jan Pye".

Board Chairperson

ABOUT

OUR MISSION & VISION

MISSION

To provide funding, oversight, technical assistance, and guidance to nonprofit, community-based organizations or other collaborative groups, which serve the populations of eastern Riverside County in the areas of health, mental health, and juvenile intervention.

VISION

To enhance the quality of life for all residents of eastern Riverside County by investing in nonprofits and empowering them to effectively serve unmet needs identified by the RAP Board of Directors.

OUR WORK

GRANT MAKING

We make grants to nonprofit organizations that provide impactful programs related to health, mental health, and juvenile intervention.

CAPACITY BUILDING

We help nonprofits improve their vision and impact, governance and leadership, program delivery, resource generation, internal operations and management, evaluation and learning, and strategic relationships.

CAPACITY BUILDING

We offer training and seminars on fundraising, grant writing, leadership, and so much more.

GRANTED IN FY 22-23

The power of what the Regional Access Project Foundation accomplishes within a fiscal year lies within the work of all our amazing non-profit organizations that we are proud to support through funding opportunities.

In 2022/23, the Regional Access Project Foundation **rediscovered** the intricate connections that make up our network of providers and how essential our collective impact is to the residents we serve.

The following pages provide a glimpse into the important work that our grantees do in the Coachella Valley (CV) and Palo Verde Valley (PVV).

TOGETHER

WE ARE

IMPROVING LIVES FOR CV AND PVV

Regional Access Project Foundation grants...

Helped **COACHELLA VALLEY COMMUNITY RESEARCH INITIATIVE** create a virtual village to support people living with HIV

Helped the **RIVERSIDE OFFICE OF EDUCATION** expand and open two new mental health care spaces

Allowed **NAMI COACHELLA VALLEY** to afford their first paid position to focus more on outreach

Assisted the **BRILLE INSTITUTE** with low-vision devices that allow program participants to live more independently

Helped **BIG BROTHERS BIG SISTERS OF THE DESERT** create more matches for mentees and mentors

Helped **HOPE THROUGH HOUSING FOUNDATION** educate low-income residents about the importance of mental health resources

Expanded the **JOHN F. KENNEDY MEMORIAL FOUNDATION's** Ophelia Project mentorship program for girls in 8th-12th grade

Allowed **ALIANZA COACHELLA VALLEY** to build leadership capacity for local youth and have a brave-space to grow together

TOGETHER

WE ARE

TRULY MAKING A DIFFERENCE

Pictured: Annais poses with Minnie Mouse during her wish trip to Disneyland.

As we celebrate a milestone of 40 years of granting wishes, we **[Make-A-Wish Orange County and the Inland Empire]** are grateful for the RAP Foundation and wanted to share how your funding helped make a difference in the life of one of our wish kids, Annais who wished to go to Disneyland. Four-year-old Annais loves spending time with her family especially when she gets to be with her brother during their family bonfire night in their Desert Hot Springs backyard. Since Annais has been bravely battling leukemia, she has spent time away from her family for treatment at the hospital. While recovering from treatment, Annais dreamed of meeting Minnie and Mickey Mouse and going to Disneyland with her family for the first time. Thanks to your support, Annais gained hope to complete treatment and her wish was granted! On their wish trip, Annais had a meet and greet with her favorites, Mickey and Minnie Mouse!

“

Knowing my son will have a short life and a painful one at that is really tough to have to live with but I feel reassurance that **Variety [the Children's Charity of the Desert]** will be there with me through it all because I reached out for one program and they were a step ahead of me and helped me, AJ, my son and my daughter with other programs that have contributed to making our lives easier, especially knowing they go above and beyond without us asking, we are extremely grateful for all of their help.

TOGETHER

WE ARE

HELPING OUR MOST VULNERABLE

“

When I see that a struggling child has a CASA, I believe that that child has a better chance of being emotionally, mentally, and physically healthy because of the service the CASA provides.

-Juvenile Court Judge, Riverside County

The generous grant from the RAP Foundation has strengthened **Voices for Children**'s efforts to provide Coachella Valley youth in foster care the resources to heal from past trauma, overcome obstacles, and pursue brighter futures through the Court Appointed Special Advocate (CASA) program. Specifically, your generosity has supported our efforts to recruit, train, and supervise additional CASA volunteers who advocate on behalf of youth in foster care.

-Christina Piranio, Voices for Children

“

My mom came to **Shelter From The Storm** for shelter and help. I am so glad she did, things had gotten really terrible with my dad. For the first time in a long time, I felt it was okay to be a kid again. I did not have to be the protector or helper keeping my siblings safe while in the shelter. Attending the therapy sessions and receiving case management as a child in the program helped me so much. Thank you for giving me some of my childhood back.

-"Jimmy," 15 years old

TOGETHER

WE ARE

ADDRESSING GAPS IN CARE

“ —

There are truly not enough words to express our gratitude... for all the resources and support we have received during a huge life changing experience.

-Francine & Patti, ACV Family

Alheimers Coachella Valley's (ACV) Breathing Space Respite Care Scholarship program aims to provide much needed relief to caregivers of loved ones with dementia. Applicants may apply for and receive up to four hours per week of in-home care, day care or overnight respite care for their loved one with cognitive impairment. The generosity of the RAP Foundation has enabled us to grow this program from 14 scholarships in 2022 to 22 scholarships in 2023.

-Dominick Calvano, Alheimers Coachella Valley

RAP's generous support of our **[Jewish Family Service of the Desert]** Let's Do Lunch series allows for live, interactive programming to be offered to isolated seniors in six locations throughout the community. Programming increases client independence, exercises cognition, assesses client moods quarterly, and offers a nutritious lunch. Access to additional internal and external services is always available to JFS clients.
